Rising

[The art of becoming]

The Rising collection is a tribute to the evolution of form, to the pure beauty of matter as it comes to life. Rising is a journey from singularity to evolution, capturing the essence of growth from the very first breath of life to its ultimate evolved form.

This collection unfolds across three stages of evolution—Breath, Pulse, and Flame—each with a distinct, unique design.

La collection Rising est un hommage à l'évolution de la forme, à la pure beauté de la matière lorsqu'elle prend vie. Rising est un voyage de la singularité vers l'évolution, capturant l'essence de la croissance depuis le tout premier souffle de la vie jusqu'à sa forme ultime évoluée.

Cette collection se déploie en trois stades d'évolution — Breath, Pulse et Flame — chacun doté d'un design unique.

A coleção Rising é uma homenagem à evolução da forma, à beleza pura da matéria quando ganha vida. Rising é uma viagem da singularidade à evolução, captando a essência do crescimento, desde o primeiro sopro de vida até à sua forma final.

Esta coleção desenvolve-se em três etapas de evolução — Breath, Pulse e Flame — cada uma de design singular.
